BAIRD, A P <Professor, Manitoba College> November 1918 (024)

November 7th, 1918

Professor A. P. Baird,

Manitoba College,

Winnipeg, Man.

My dear Baird:

Many thanks for your letter about Dr. Jolliffe. I am glad to have it. He has just been in to see me and impressed me as being a very likeable fellow. Your discriminating letter will be of service to us, though whether we are likely to appoint him I could not of course express an opinion at present. In fact we are not likely to do anything for this session.

I am glad to know that Mrs. Baird is bearing up well. I have wondered several times since where Agnes will be. Probably now she is very near the Belgian border somewhere.

With kind regards, I am,

Yours sincerely,

President.
